I would like to thank you for your help, support and advice.  
You have been a great support to us sorting our computer on a regular basis, always coming up trumps!  
We have tried various other tech support people but none have been as helpful or as polite as you.

We look forward to having a long relationship with you. Keep up the good work!  
Your prices have been very reasonable and we have always been happy to pay.

Once again thank you for all your help and support.

Yours sincerely,

Mrs M.
